

THE BRIDGE
youth center

Your Community Youth Center

Join us in

providing a place where all kids are safe, loved, and valued, surrounded by caring community members that introduce them to Christ's love in all they do.

A young person in a purple and white jersey is holding a basketball above their head. In the background, a man in a blue shirt stands on a balcony. The scene is set against a colorful wall with orange, pink, and blue sections.

Which looks like

the formation of peer and inter-generational relationships focused on increasing academic, emotional, physical, and spiritual well-being. We aim to provide kids with a safe place and nurturing community that supports and encourages them in the ways they need it most.

Large Group

Form relationships with kids in larger community and provide impacts through physical activity, conversational space, and career, emotional, or spiritual exploration.

A young boy with dark curly hair, wearing a red hoodie, is sitting at a table and looking towards a young woman. The woman, with long brown hair and a nose ring, is wearing a white textured sweater and pointing at a notebook on the table. The notebook has some text and a yellow tab. The background is a blurred indoor setting with a window.

Small Group

Build consistent, positive relationships based on openness and mutual trust, and focused on developing healthy attitudes about themselves and their community.

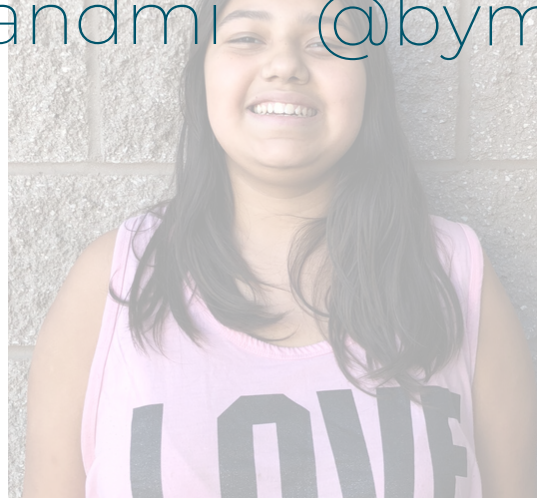

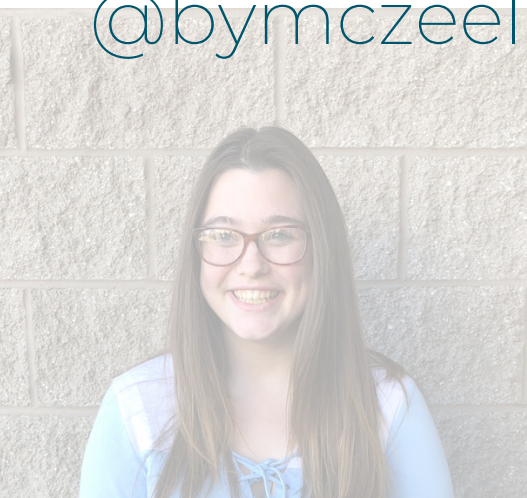

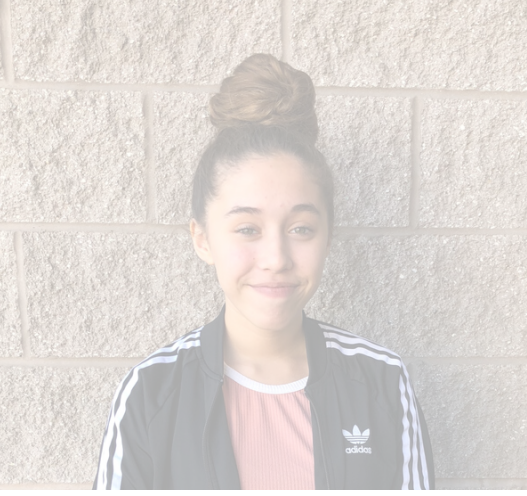

One on One

Invest in and be open with one student by having deeper conversations and being an important part of a strong support system, both in and out of school.

Other Opportunities

Contribute to daily functions that help us meet our mission. By providing for kids' basic needs like food, transportation, and a welcoming place, we can ensure that kids are part of a community where they feel safe, loved, and valued.
